# Perfecto2 V

Packed with features for today's demanding lifestyles

INVACARE®
Yes, you can.®

The new *Invacare* ***Perfecto2 V*** Oxygen Concentrator is an economical addition to the premier Invacare stationary concentrator line. This full 5-litre concentrator is small, quiet and lightweight and incorporates ***SensO2*** oxygen sensor technology. The ***Perfecto2 V*** is your cost-effective home oxygen concentrator, and comes with no scheduled maintenance for 3 years.

### Quiet and Lightweight

Innovative techniques reduce the compressor and purge sounds to an almost undetectable level. By utilising the latest advancement in sieve material ***Perfecto$_2$ V*** has reduced weight whilst maintaining the highest oxygen purity at all flow rates.

### High-performance, safe and reliable

All of Invacare's rigorously tested safety features are incorporated into this latest evolution of our proven line of home oxygen concentrators. The durable product design and construction ensures years of reliable service with a minimum of fuss.

### *HomeFill* compatible

Simplify your home oxygen business with ***HomeFill*** – the cylinder refilling system designed with patients in mind.

## Features and Options

### No scheduled maintenance for 3 years

Provider maintenance is effortless and fast.

### Simple for the user

All device controls are on the front panel and within easy reach of the user.

### Paediatric flowmeter

50 to 750cc stand alone device for accurate low flow delivery.

## Technical data
